Iowa Maintenance Training EXPO 2007

Scheman Building, Iowa State University, Ames, Iowa
To help city, county, and state road maintenance personnel meet their numerous commitments during all maintenance seasons, the Iowa Maintenance Training Expo will present the latest research, technologies, and techniques for summer and winter maintenance in one information-packed training opportunity.

The Expo offers vendors of equipment for summer and winter road maintenance a unique opportunity to showcase and demonstrate their products to hundreds of road maintenance personnel, including the decision makers who select maintenance machinery and tools for their shops.

Display Areas
Vendor displays will be held at the Scheman Building on the Iowa State University campus. Outside display areas for large equipment will be available in the north parking lot outside Scheman. See the registration form for fees and details.

About the Registration Fee
Each vendor registration fee includes full participation in all Expo events on August 29–30, including lunch and break refreshments, for two vendor representatives. Additional vendor representatives may participate at the regular Expo registration rate ($65). See the registration form for fees and details.

Deadline and Cancellation Policy
The deadline for vendor registration is August 22, 2007. All registrations cancelled at least one week before the Expo will receive full refunds. After this period, no refunds will be made. Call or fax changes to Continuing and Distance Education, phone 515-294-6222 or fax 515-294-6223.

Questions
If you have questions about
- vendor displays, contact Jim Dowd, 515-239-17243, or Sheri R. Anderson, 515-239-1371
