

MTC Asset, published twice a year, promotes the Midwest Transportation Consortium's (MTC) research, outreach, and education programs for developing sustainable asset management principles and techniques. This free newsletter is financed by the MTC.

The MTC is the U.S. Department of Transportation's University Transportation Center for federal region 7.

The MTC is located at Iowa State University's Center for Transportation Research and Education.

Transportation seminars 2003

The 2003 transportation seminars, held in Iowa and Missouri, help students understand the "big picture" in transportation.

This year's emphasis is on asset management and advanced transportation technologies.

Seminars are alternately broadcast from four midwestern universities: Iowa State University (ISU), University of Northern Iowa (UNI), University of Missouri-Columbia (UMC), and University of Missouri-St. Louis (UMSL).

Locations and contact information:

Iowa State University
Contact: David Plazak, 515-294-8103 or 515-296-0814, dplazak@iastate.edu.

University of Northern Iowa
Contact: Tim Strauss, 319-273-7467, tim.strauss@uni.edu.

University of Missouri-Columbia
Contact: Charles Nemmers, 573-882-0071, nemmersc@missouri.edu

University of Missouri-St. Louis
Contact: Ray Mundy, 314-516-6267, mundyr@msx.umsl.edu.

The seminar schedule is regularly updated at www.ctre.iastate.edu/educweb/scholars.htm

- Feb. 21, UMC Observations on the Future of Bridge Technology
Steve Chase, FHWA Turner-Fairbank Highway Research Center
- Feb. 28, UNI Regional Airport Management
Brad Hagen, Waterloo Regional Airport
- Mar. 7, ISU Performance Measures in Highway Corridor Planning and Design
Howard Preston, CH2M Hill
- Mar. 14, UMC Highway Safety in the Midwest
Gene Amparano, FHWA-NHTSA Liaison, Kansas City
- Mar. 28, ISU AASHTO Asset Management
John Craig, Nebraska Department of Roads
- Apr. 4, UMC Asset Management in the Railroad Industry
Ken Welch, Union Pacific Railroad, Omaha
- Apr. 11, ISU Advanced Pavement Materials, Analysis, and Design
Robert Rasmussen, Transtec Group, Inc.
- Apr. 18, UMSL Public Transportation Use of Intelligent Transit Systems
Susan Stauder, Regional Commerce and Growth Association
- Apr. 25, UMC Asset Management Deployment in Central Missouri
Chris Yarnell (Cole County, Missouri, Public Works)
- May 2, ISU Advanced Construction Technologies: Stakeless Grading and Laser Scanning
Don Taylor, McAninch Corp., and Ed Jaselskis, ISU
