----	---	------------	---

## Upcoming Iowa Roundabouts Conference

Registration is now open for the Iowa Roundabout Conference, sponsored by the Iowa Department of Transportation. The same conference will be held at two locations and there is no charge for attendance. The first event is on Tuesday, August 26, 2008, at the Gateway Hotel and Conference Center in Ames, Iowa. The second event will be held on Wednesday, August 27, 2008 at the Marriott Hotel in Cedar Rapids, Iowa. Register online at [www.ctr.e.iastate.edu/events/roundabout](http://www.ctr.e.iastate.edu/events/roundabout).

DOT representatives from Washington, Wisconsin, and Kansas will speak on the advantages of roundabouts. They will also speak on high-speed roadways and roundabouts, as well as experiences with planning, design and construction. The event will conclude with a panel discussion on roundabouts and the local system.

For more information contact Judy Thomas, Center for Transportation Research and Education, 515-294-1866, [jathomas@iastate.edu](mailto:jathomas@iastate.edu). ■
